68	Government Relations				1										1
69	Communication and Public Involvement								1						1
70	Management						1								1
71	Technical and Management Services								1						1
72															
73	Environmental Justice and Sustainability				1										1
74	Environmental Justice, Tribal, and International Affairs						1								1
75	Tribal and International Coordination							1							1
76															
77	Total Offices or Divisions /Region	7	10	11	12	9	9	10	8	9	12		10		107
78															
79	Notes:														
80	1 -- Regions 9 and 10 are Offices of the Regional Administrator (not including Deputy Administrator)														
81	2 -- Region 10 uses name Office of Air and Waste (not "Management")														
82	3 -- Region 10 uses name Office of Compliance & Enforcement (not "Assurance")														
83															
84	<b>Estimate Impact to States:</b>														
85	To estimate impact to states from proposed regional office changes, ECOS split each office into three categories:														
86	- Office is already in place as it would be in the new HQ model														
87	- Office will have its name changed to fit HQ model														
88	- Office itself will change to fit HQ model														
89	It is important to note that the total offices in each region varies and ECOS has tried to factor that in to the assessment. Based on these criteria, ECOS found the following:														
90	<b>Low Change:</b>														
91	Region 2 - 10 offices total: 2 offices in place, 5 name changes, 3 office changes														
92	Region 5 - 9 offices total: 5 in place, 1 name change, 3 office changes														
93	Region 7 - 10 offices total: 2 in place, 4 name changes, 4 office changes														
94	Region 9 - 9 offices total: 3 in place, 4 name changes, 2 office changes														
95															
96	<b>Medium Change:</b>														
97	Region 1 - 7 offices total: 3 in place, 1 name change, 3 office changes														
98	Region 3 - 11 offices total: 2 in place, 4 name changes, 5 office changes														
99	Region 6 - 9 offices total: 3 in place, 2 name changes, 4 office changes														
100	Region 8 - 8 offices total: 3 in place, 1 name change, 4 office changes														
101															
102	<b>High Change:</b>														
103	Region 4 - 12 offices total: 2 in place, 4 name changes, 6 office changes														
104	Region 10 - 12 offices total: 2 in place, 3 name changes, 7 office changes														
105															
106	Caveat is that Regions 9 and 10 are Offices of the Regional Administrator (not including Deputy Administrator). ECOS did not count these as a major change.
