

We're Hiring!

Office of Air Quality Planning and Standards (OAQPS) 2020 OAQPS Spring/Summer Intern Program

What We Do:

Our mission is to protect human health and the environment. OAQPS is tasked with preserving and improving air quality in the United States. To accomplish this we compile and review air pollution data; develop regulations to limit and reduce air pollution and make information available to the public.

What We Need:

We are seeking student interns for our RTP, Durham NC campus. OAQPS hires people with diverse skill sets. Positions we want to fill at RTP are listed below:

- **Environmental Protection Specialist Trainee (GS-0099/05/07)**
- **Interdisciplinary Life Scientist Trainee (GS-499-05/07)**
- **Interdisciplinary General Engineer Trainee (GS-899/05/07)**
- **Interdisciplinary Physical Scientist Trainee (GS-1399/05/07)**

The announcements will post December 11, 2019 on USAJOBS
